EXPERIENCE

Self- Employed

Tampa, Florida

May 2025- Present

A.I. Solutions Developer

- Developed and coded custom AI chat agents for small business websites, improving response quality and driving profitable increases in customer conversions.
- Worked with clients to tune conversational flows and integrations, raising engagement while cutting down their manual support time.

Independent Crypto Trader

April 2026- Present

- Executed high-frequency trading strategies in volatile cryptocurrency markets, leveraging real-time market analysis and on-chain data to identify profitable entry and exit points.
- Managed a high-risk portfolio with disciplined position sizing and rapid decision-making under pressure.

LEADERSHIP & INVOLVEMENT

Delta Tau Delta Fraternity

Tampa, Florida

Finance Committee

Spring 2025- Present

- Managed a recurring \$70,000 semester budget funded through member dues while using pivot tables and Vlookups to keep the numbers honest.
- Delivered clear analysis to chapter leadership, translating financial data into updates the President, VP, and Treasurer could use.

Academic Chair

Fall 2025- Present

- Led structured academic programming twice a week, creating a consistent environment that strengthened chapter performance.
- Established clear participation expectations and maintained accountability to support sustained academic engagement.

Volunteering

Vernon Hills, Illinois

Chicago Lacrosse Cup

Summer 2023- Present (Seasonal)

- Helped coordinate and oversee an annual week-long youth lacrosse tournament, the largest of its kind in Illinois, contributing to smooth operations and community engagement.

Tampa, Florida

Trinity Cafe

Spring 2025- Present

- Provide monthly support at a Tampa food shelter, assisting with meal distribution for homeless and disabled residents in need.
